## Quality BBQ Products From China

### **DESIGN:**

We are number 1 in design trendsetter in the BBQ industry. For the past 35 years, Wong has helped different customers win BBQ products design award. We make revolutionary designs that are very well received in the market, and we know exactly how to do just that!

### **MANUFACTURE:**

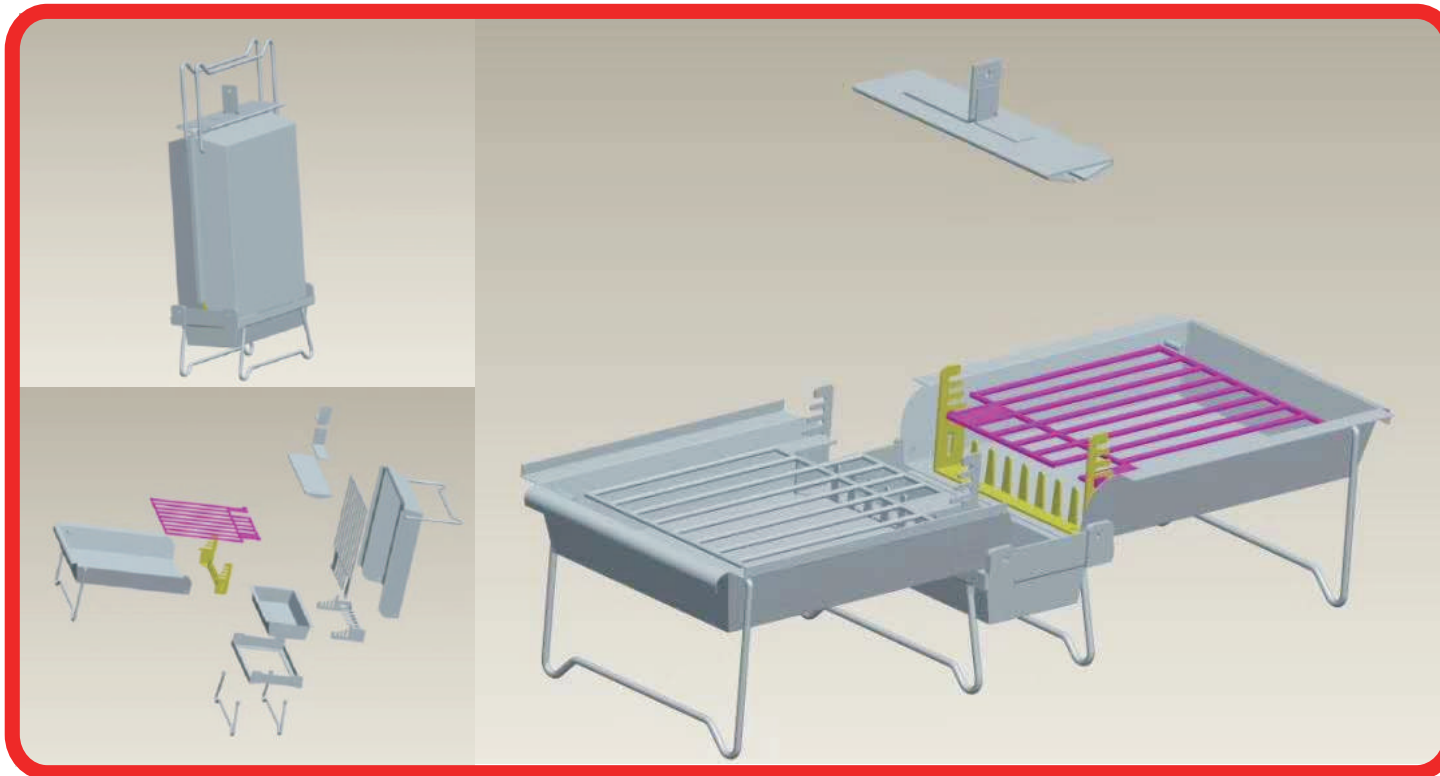

Our office is located in Foshan, Guangdong which is the world production center for BBQ items. This has given us an unparalleled edge in the cooperation with the most matchable factory to realize our design with high quality in a very cost-effective way. We also can help you to match a factory that will produce your own design for a good price.

### **SOURCING AGENT:**

We have experienced staff to attend to every detail in Quality Control and Export Documentation. We are more than happy to share with you our experience and be your sourcing agent in China. Once we are in agreement and have signed a contract to become your official sourcing agent in China, we can design new products for you and help you upgrade your product line continuously, to help you win more market shares. **All is for FREE!**

## We Can Be Your Sourcing Agent and Offer You Free Design Service

We would truly love to be your sourcing partner and help you design wonderful products for free. We will be more than happy to share with you our existing supply chain here in Foshan, Guangdong where the BBQ item production center is located. We will take care of all of the product design, development, production, sourcing, and shipping. Our experience, efficient, and competent staff will attend to all the Quality Control and Export Documentation.

Setting up a purchasing office in China, or if you already have one, is an unfavorable situation when it comes to your business. The rent, salary, and tax will only serve as an overhead expenditure. Why not allow us to do all those for you? Not only you can save a lot, but you can also have the designs for free. We are truly proud to say that we are above from the rest.
